

Charles Wilson Engineers Ltd

Site Location: Various U.K. Locations

Charles Wilson is leading private hire companies who have enjoyed great development since their incorporation in 1979.

Interior Options has been retained on a design and build basis for their head office and sales depots since inception.

The design aspects have largely involved Building Regulations, Planning authorities, Fire Service and more recently, the D.D.A. (Disabled Disability Act). Creating corporate awareness with a pleasing working environment has been the raison d'être.

Installations have involved mezzanine flooring, partitioning, ceilings, lighting, electrics, plumbing, flooring, furniture, racking and decoration.
