

Independent Textile Converters Ltd

Site Location: Kings Cross, London

Contract Value: £85,000

Interior Options were awarded the contract for the design and build of ITC's new Head Office and Showroom.

ITC specialises in the import of fabrics - supplying to garment manufacturers in the ladies wear sector of the market.

The project involved high spec glazed partitions and doors, flooring, bespoke and standard storage units, telephony and IT services, lighting and power systems, bespoke and system furniture as well as the standard building trades involved in the refurbishment of office space.

" We have been in our new premises for approximately two months, and I would like to confirm how happy we are with the job Interior Options have done for ITC.

The help and advice provided re the interior design of the building by Interior Options was nothing short of excellent!

I would have no hesitation what so ever in recommending Interior Options to other companies requiring similar projects.

On behalf of ITC I would like to thank the team for making the move an effortless exercise."

John Hohenberg
Managing Director
Independent Textile Converters Ltd.
