

Inkom Bank

Site Location: London EC3

Contract Value: £90,000

When the Representative Office of Inkom Bank, the largest independent Russian bank, needed new London offices they awarded Interior Options with the contract for a complete turn-key package.

Inkom Bank was under considerable pressure to complete their new offices and so imposed stringent deadlines to Interior Options as part of the contract.

Despite various Landlord and technical construction issues Interior Options completed the project on time and to budget exceeding Inkom Bank's expectations.

" The Interior Options Team, proved to be an excellent choice, they worked hard to provide solutions to the inevitable problems that occur during a project of this nature, and made sure that they finished the project on time and within budget"
