

## International Youth Hostel Federation

Site Location: Welwyn Garden City, Hertfordshire

Contract Value: £100,000

This project involved the relocation of IYHF from Fountain House to Gate House in Welwyn Garden City. Strict, client led criteria on budget, aesthetics and space planning were key in developing the best solution.

Natural light and a carefully designed colour and contour scheme gave the finished installation a welcoming organic atmosphere.

Interior Options is pleased to report a completed installation, built within the set timescales. Which IYHF have said it is an installation to be proud of.

"Relocating an international office is no mean feat and the fact that it has been accomplished so smoothly with no disruption to the services we provide to our members is an achievement your staff should be proud of."

Keith Button

Director of Finance & Administration  
International Youth Hostel Federation
